Since the beginning of March 2022, [Logistics Aid](#) has been driving essential supplies to the people of Ukraine.

MONEY RAISED

We have raised over **£40,000** towards the cost of fuel and vehicles, donated by individuals and businesses.

VEHICLES SENT

So far, we have sent four artics and two 7.5 tonne lorries to Ukraine. These vehicles have been donated by [Priestley Removals](#), [Suttles Transport](#) and [Blockley Rental](#).

AID DELIVERED

We have collected aid from [KTS Craft Warehouse](#), [Hereford Help for Ukraine](#) and [Leominster Aid for Ukraine](#) - including medicines, food and baby supplies.

WHAT NEXT?

We are purchasing our own fleet of vehicles so we can continue delivering aid to Ukraine, with the intention of using these for charitable logistics once the war is over.
